

COMMUNICATION BEST PRACTICES

Consider and revisit these guidelines throughout the program

BUILD RELATIONSHIPS

- Get to know one another!
- What are your goals and motivation for doing this project?
- Talk about your interests and experiences

CREATE EFFECTIVE TEAMWORK

- Plan ahead
- Learning is a two-way street
- Avoid making assumptions about someone's knowledge or intention

HONOR EACH OTHERS' STRENGTHS

- Recognize and encourage skills
- Be a lifelong learner!
We can always learn new things
- Recognize your diverse backgrounds and perspectives and incorporate unique ideas

ESTABLISH FEEDBACK SYSTEMS

- How will you provide each other with feedback?
- Meet in the middle & compromise
- Talk about conflict, forgiveness, and follow-through
